

# Gold Coast Cymbidium Growers

A Branch of the Cymbidium Society of America, Inc.

**April 2010**

**Date:** April 16, 2010  
**Time:** 4:00-5:00PM for Setup, 4:00-6:00PM for Plant Entry, 6:30PM for Dinner  
**Place:** The San Mateo Garden Center, 605 Parkside Way, San Mateo  
Take the Alameda de las Pulgas exit off Highway 92. Turn south.  
The Garden Center is located between 26th and 28th Avenues.

**Program:** This month is the Eleventh Annual GCCG show and potluck dinner, with the show running through Saturday, April 17. Please note the time change from our regular meetings. Enclosed in this newsletter are the show rules. Bring your plants, properly labeled, staked, cleaned, etc. Entry forms for ribbon judging and for display only will be available at the entry table. If you have any qualms about entry, don't worry! The pros will assist you! **Please note that the show plants will be exhibited to the public on Saturday, April 17, from 10 AM – 4 PM. Plants entered in the show must be left on display until 4 PM on Saturday.**

Plants will be judged after dinner for ribbons and trophies.

**Member Show Plants:** Members are encouraged to bring as many blooming Cymbidiums, and other blooming orchids, as they can to our show. One of the primary measures of success for a public show is having lots of plants with lots of pretty flowers and, of course, lots of award ribbons on these plants! Even if you don't feel a particular plant is blooming to its potential, we still need you to bring it in.

**Member Sales:** Members will have the opportunity to sell their plants at the show on Saturday. Please make sure your clean, labeled, sales ready, plants are brought to the garden center between 9 AM and 10 AM on Saturday, priced in even dollar amounts. Proceeds from the sale of these plants: 80% for the hobbyist seller with 20% (which includes the sales tax) for GCCG, and 75% to the commercial seller with 25% (which also includes sales tax) to GCCG. The seller MUST be present to sell his/her plants!

**Complete sale rules are included in this Newsletter. Master sale sheets and sales entry forms are attached to the email Newsletter, will be available on Friday night at the show or may be downloaded from the GCCG website: [www.goldcoastcymbidiumgrowers.com](http://www.goldcoastcymbidiumgrowers.com).**

**No sales of member plants will take place on Friday, or before the show opens at 10 AM on Saturday. We cannot accept member plants for sale on Friday evening or after the show opens at 10 AM on Saturday.**

**Volunteers are needed to help with display and dinner table set up, show plant entry, kitchen setup and final clean up. Any club member who would like to join the fun, please email the show chair, Audrey Young-Tarter, at [audreyyoungtarter1@yahoo.com](mailto:audreyyoungtarter1@yahoo.com) or [goldcoastcymbidiumgrowers@yahoo.com](mailto:goldcoastcymbidiumgrowers@yahoo.com).**

**Cymbidium Grower Supplies:** Plant stakes, labels, single-edge razor blades, pens, pots and virus test kits will be available for purchase at the show and sale on Saturday.

To have a plant judged, call Jeff Trimble at 650-368-8260 at least one day in advance, to ensure that the CSA judges know that plants will be submitted for judging. Plant entry is between 6:30 PM and 7:00 PM the evening of judging. Clerks can advise you in filling out the plant entry form on your arrival.

If you have a plant that will be ready for judging at one of our regular monthly GCCG meetings, but which wouldn't be at its prime on the fourth Wednesday of the month, please contact Jeff Trimble at least 24 hours prior to our meeting. He will attempt to arrange with the CSA judges to have the plant judged before the beginning of the meeting.

The AOS judges all genera of orchids in San Francisco at the SF County Fair Building (Hall of Flowers) in Golden Gate Park on the first Tuesday, and in Oakland at the Lakeside Garden Center on the third Monday, of each month. For either judging, plants need to be submitted to the clerks between 6:15 PM and 7:00 PM. If you need further information, call Ken Jacobsen at 650-508-8308.

AOS judging takes place at most of the local shows; CSA judging is available at some shows. Contact the show organizers for specifics regarding plant entry for judging.

## MEMBER SALES RULES FOR THE 2010 GCCG SHOW AND SALE

### Sale hours 10:00 AM to 4:00 PM

To ensure that our show runs as smoothly as possible, the Show Committee has set into place the following rules concerning the sale of member plants:

1. Members are not limited in the number of plants brought in for sale, but please be considerate of your fellow members and do not overload the sales table at any one time.
2. Please make sure your clean, labeled, sales ready, plants are brought to the garden center between 9 AM and 10 AM on Saturday. No sales plants will be accepted Friday night due to space limitations or after 10:00 AM on Saturday.
3. Member sales plants should be priced in whole dollar amounts with the Commercial Member plant seller receiving 75% of the displayed price and the Non-commercial Member plant seller receiving 80% of the displayed price. The displayed price includes sales tax.
4. Each member will provide a master list\* of plants checked in for sale. It is advised that the member keep a second copy for record keeping.
5. Members selling plants must work the sale on Saturday. Who knows a plant better than its seller? Any members not present to sell their plants will have their plants removed from the sales area.
6. Member sellers are asked to provide a detachable label\* with the owner ID and sale price on each plant.
7. Unsold member plants may be checked out and removed only after 4 PM on Saturday at the close of the show.
8. Member's checks will be based on the removable tags' accumulated sale prices. Lost tags are not the responsibility of GCCG. Each member selling plants assumes risk of such tags, and unless the member can indisputably verify that the sale occurred, there will be no reimbursement to the member.
9. The above rules will be deemed accepted upon submitting the plants for sale and the plant ID list.

If there are questions or concerns pertaining to these rules, please address them to the Ways and Means Chair, Marron Honigman, by phone at 408-257-4855 or preferably by email at [mhonigman@blachschool.org](mailto:mhonigman@blachschool.org).

**\*Copies of the preferred forms are attached to the April GCCG newsletter or may be downloaded from the GCCG website. [www.goldcoastcymbidiumgrowers.com](http://www.goldcoastcymbidiumgrowers.com) Hardcopies will also be available at the Friday Potluck Dinner and Show.**
