

Gold Coast Cymbidium Growers Collector's Auction Catalog

January 20, 2012

Time: 7:00 PM (Auction plants may be checked in after 4:30 PM until 6:30 PM)
Auction bidder registration and preview from 6:30 PM to 7:00 PM.

Place: The San Mateo Garden Center, 605 Parkside Way, San Mateo Take the Alameda de las Pulgas exit off Highway 92. Turn south. The Garden Center is located between 26th and 28th Avenues.

2012 Auction Conduct Rules:

- 1) No plant will be allowed into the building the night of the auction unless it is on the auction list below or is a pre-approved substitute for one on the list that was damaged.
- 2) Labels for all auction plants **will be provided** to the sellers/donors when the plants are checked in at the auction.
- 3) If a plant carrying a minimum bid does not sell at the minimum bid stated, the seller still will be responsible to the club for 25% of the listed minimum bid. *(OPTION: If the seller so designates to the auction committee in advance, a "reverse auction" may be held on a plant failing to receive the minimum bid.)
- 4) Successful bids and bidders will be tracked on a projector screen. Photos of the plants (if available) will also be projected on a screen as they are presented for auction.
- 5) Bidders are asked not to check out until the last plant is auctioned and the auction concluded. Receipt to bidders will include a printout of their successful bids.
- 6) Payment to sellers and acknowledgement to donors will include a printout of each of their entries with the sales amount.

Abbreviations and Terms Used In the Catalog:

BB=Sprouted Back Bulb

MB=Minimum Bid

MP=Whole Plant or Division of Mother Plant

MC= Mericlone

Picture: Indicates a picture of the flower submitted by the seller/donor/or auction committee is available for viewing on the GCCG website:

<http://s489.photobucket.com/albums/rr255/goldcoastcymgrowers/GCCG%202012%20Auction/>

Photo reference: Indicates a website where the flower may be viewed.

Abbreviations Used on the Labels Attached to the Plants at the Auction:

(When more than one of these items is mentioned in the Catalog, the higher-ranking, as listed here, is shown on the label)

1. **MB=Minimum Bid**
2. **SM=Suggested Minimum Bid**
3. **EV=Estimated Value**

The ID column indicates the supplier of the auction plants. The ID GCCG identifies plants purchased by Gold Coast Cymbidium Growers especially for the auction. Otherwise, two alphabetic characters define each individual supplier. The numeric part of the ID is used for accounting purposes for sale plants. Plants donated for the auction are indicated by D-AA, where the AA is the identifier of the supplier.

The identifiers and the corresponding names are:

Auction Surprise!

This year we will have a bonus raffle for all those GCCG members spending more than \$25. For each increment of \$25 spent, the bidder will receive one raffle ticket for the drawing of the plant listed here after all payments are made. You do not need to be present to win.

[Cym. (Fifi 'Harry' 4N x Self) x Hokey Pokey 'Cherry Vanilla'] MP

Pleasant surprises from this cross. Hokey Pokey is a small purple Standard. Fifi is a sparkling, pendulous, clear green Novelty with a long spike. This is a Tony Velardi Seedling (Cross# TV2418R). Winner will receive the Whole Plant.

5 Spikes. Full 2 gal pot. EV \$150.
