

Gold Coast Cymbidium Growers Collector's Auction Catalog

January 18, 2013

Time: 7:00 PM (Auction plants may be checked from 4:30 PM to 6:30 PM)
Auction bidder registration and preview from 6:30 PM to 7:00 PM.

Place: **The San Mateo Garden Center, 605 Parkside Way, San Mateo** Take the Alameda de las Pulgas exit off Highway 92. Turn south. The Garden Center is located between 26th and 28th Avenues.

2013 Auction Conduct Rules:

- 1) No plant will be allowed into the building the night of the auction unless it is on the auction list below or is a pre-approved substitute for one on the list that was damaged.
- 2) Labels for all auction plants **will be provided** to the sellers/donors when the plants are checked in at the auction.
- 3) If a plant carrying a minimum bid does not sell at the minimum bid stated, the seller still will be responsible to the club for 25% of the listed minimum bid. *(OPTION: If the seller so designates to the auction committee in advance, a "reverse auction" may be held on a plant failing to receive the minimum bid.)
- 4) Successful bids and bidders will be tracked on a projector screen. Photos of the plants (if available) will also be projected on a screen as they are presented for auction.
- 5) Bidder checkout will not begin until the last plant is auctioned. Receipt to bidders will include a printout of their successful bids.
- 6) Payment to sellers and acknowledgement to donors will include a printout of each of their entries with the sales amount.

Abbreviations and Terms Used In the Catalog:

Abbreviations Used on the Labels Attached to the Plants at the Auction:

(When more than one of these items is mentioned in the Catalog, the higher-ranking, as listed here, is shown on the label)

1. **MB=Minimum Bid**

2. **SMB=Suggested Minimum Bid**

3. **SEV=Seller's Estimated Value**

The ID column identifies the supplier of the auction plants.

The ID GCCG identifies plants provided by Gold Coast Cymbidium Growers for the auction. Otherwise, two alphabetic characters (AA) identify the individual supplier. Sale plants are denoted by AA-NN, where the numeric part (NN) is used for accounting purposes. Plants donated for the auction are indicated by D-AA.
