### Recent AOS and CSA Awards granted to our members since the last Newsletter:

**February 17, 2017** GCCG meeting: **Cym. (Tapestry 'Red Glory' x *erythraeum* 'Paradise')** 'Woodside' received an AD/CSA exhibited by Pierre Pujol.

**March 20, 2017** Orchid Society of California: **Cym. *goeringii* 'Songmei'** was awarded an AM/AOS of 84 points, exhibited by Ken Jacobsen.

**March 20 -22, 2017** San Joaquin Orchid Society Show.

Best Cymbidium and Best in Show to **Cym. Ison's Wild Thing 'Leta'** JC/AOS exhibited by Richard Mangan.

**Plant Judging:** The CSA judges Cymbidiums, Paphiopedilums, and Phragmipediums at our regular meetings by prior arrangement. To have a plant judged, call Sylvia Darr at 650-450-1384 at least one day in advance, to ensure that the CSA judges know that plants will be submitted for judging. Plant entry is between 7:00 PM and 7:30 PM the evening of judging. Clerks can advise you in filling out the plant entry form on your arrival. Judging is also available at the Golden Gate Branch.

The AOS judges all genera of orchids in San Francisco at the SF County Fair Building (Hall of Flowers) in Golden Gate Park on the first Tuesday, and in Oakland at the Lakeside Garden Center on the third Monday, of each month. For either judging, plants need to be submitted to the clerks between 6:15 PM and 7:00 PM.

CSA and/or AOS judging takes place at most of the local shows. Contact the show organizers for specifics regarding plant entry for judging.

**GCCG Active Member! Reward Coupon Program:** The GCCG is a society of people, not orchids. This means that the vitality of the club is what you make of it, the skills you bring to mentor another grower, and most importantly, your spirit and friendship. The success of the club as a whole depends upon your participation, from seemingly unrecognized acts of bringing water bottles for volunteers and vendors at the Show and Sale to helping with the organization of club events.

**CSA Membership:** Members are strongly encouraged to join the Cymbidium Society of America. **President's Message:** Our annual 2017 GCCG Show and Sale is fast approaching and we need your help. After receiving input from our members and participants, the GCCG Board made the decision to expand to a 2-day show. This is a unique opportunity for Gold Coast to expand its horizons and reach out to orchid enthusiasts. That's where you step in! We can't do this without you. We have available slots in the following areas: Ribbon Judging Teams, Ticket Sales, Raffle, Supplies, Cashier, Plant Hotel, Membership and the Plant Hotel on both Saturday and Sunday. A big thank you to all those members who have already signed up to help us! I know everyone will want to be onboard so please give me a call/text @ 408-807-9124 or email me @ [marron.honigman@gmail.com](mailto:marron.honigman@gmail.com) to let me know your availability. Thank you so much for all you do to make our club THE BEST!

## **GENERAL SHOW INFORMATION**

**Member Show Plants:** All show plants must be on the show benches or in their displays and entered by **6:30 PM on Friday! ABSOLUTELY NO EXCEPTIONS! Only those plants owned and grown by a member for at least six months may be entered for ribbon, trophy, or AOS and CSA Cultural award judging.** Entry forms for CSA/AOS judging and entry cards for ribbon judging will be available at the entry tables. Please note that the show plants will be exhibited to the public on Saturday, April 22 and Sunday, April 23, from 10:00AM – 4:00PM. Show plants must be left on display until 4:00PM on Sunday.

Members are encouraged to bring as many blooming Cymbidiums and other blooming orchids as they can to our show. One of the primary measures of success for a public show is having lots of plants with lots of pretty flowers and, of course, lots of award ribbons on these plants. If you have any qualms about entry, don't worry! The pros will assist you!

**Individual Member Displays:** A few display tables are still available. The individual display tables will be placed around the perimeter of the room and will be 2.6' x 8' in size. If you feel you do not have enough plants for a full table, think of sharing one with another member. All skill levels are welcome. The displays themselves will not be judged against each other, but the plants may be show entered just as they would be on the bench. Why not give it a try?

Displays truly make our show, whether they are filled with lots of plants or hold only a few special well-placed ones, and are fun to create. Our experienced growers are always willing to give help and advice. Contact Sylvia Darr at [syldarr@gmail.com](mailto:syldarr@gmail.com) or 650-450-1384 or Marron Honigman at [marron.honigman@gmail.com](mailto:marron.honigman@gmail.com) or phone 408-807-9124 if you have any questions.

**Sales tables are still available.** Deadline is April 7 to sign up to sell. Because we are holding a 2-day sale this year, it is more important than ever to have as many members as possible selling their plants. Almost everyone has a few extra plants to move out to make room for new ones! If you do not have enough plants for a full table, sign up for a half table. There are seven tables still available. Anyone requesting a second table should notify Florence and you will be notified after the April 7 deadline as to availability. ## 2017 Sales Information

**Hours: SATURDAY AND SUNDAY - 10:00 AM to 4:00 PM**

To ensure that our show runs as smoothly as possible, the Show Committee has set into place the following rules concerning the sale of member plants. **If there are questions or concerns pertaining to these rules, please address them to Florence Inserto, Sales Chair at 415-469-8375 or flojo1337@yahoo.com**

1. **TABLE RESERVATIONS:** Members are not limited in the number of plants brought in for sale. Plants can be placed under your table but please do not place plants beyond your allocated area.
2. **All members reserving one table must enter plants (2 minimum) in the show. If two sales tables are requested, the member must put in a display.** The show comes first for the benefit of everyone, whereas selling your extra plants is a personal benefit. Any member reserving a full sales table must also donate one (1) plant each day to the show's raffle
3. Member sales plants must be priced in whole dollar amounts with the **Commercial Member plant seller receiving 75% of the displayed price** and the **Non-commercial Member plant seller receiving 80% of the displayed price.** Tax will be collected at checkout.
4. **NOTE: Plant sales will be in the left hand side of the building. Use the entrance on the left to off-load your sale plants starting Friday from 12 PM to 7:00 PM and Saturday and Sunday from 8 AM to 9:45 AM.**
5. Each member seller shall provide a master list\* of plants checked in for sale to Florence Inserto, Chair of the Sales Committee, before 9:45AM on Saturday. It is advised that the member keep a second copy for record keeping. **No plant sale lists will be accepted after 9:45 AM each day.**
6. Members selling plants must work their sale table at least a half-day (3 hours) Saturday and Sunday. Who knows a plant better than its seller? Any members who were not present Saturday morning to help in the sale plant room will have their plants removed from the sales area if they are not present by 1:00 PM to work in the afternoon. One additional hour is also requested in some general area of the show.
7. Member sellers are asked to provide a detachable label\* with the owner ID and sale price on each plant. **PLEASE DO NOT TAPE OVER THE PART TO BE DETACHED WHEN SOLD!**
8. Unsold member plants may be checked out and removed after 4:00 PM on Sunday at the close of the show, or at the discretion of the Sales Chair.
9. Member's payment checks will be based on the removable tags' accumulated sale prices. Lost tags are not the responsibility of GCCG. Each member selling plants assumes risk of such tags, and unless the member can indisputably verify that the sale occurred, there will be no reimbursement.
10. The above rules will be deemed accepted upon submitting the plants for sale and the plant ID list.

**\*Samples of the preferred forms are attached to the emailed newsletter or may be downloaded from the GCCG website, <http://www.goldcoastcymbidiumgrowers.com>**

**Hard copies of the sales forms will also be available at the Friday show set-up.**
